Art Unit: 3634

This application is in condition for allowance except for the following formal matters:

It appears that the applicant's preliminary amendment dated 1/18/2002 states that "This application claims priority of International application number PCT/DE99/02285, filed July 22, 1999" but it appears that the applicant's oath/declaration fails to properly claim foreign priority.

If the applicant intends to claim priority to the German application, then a proper oath/declaration must be submitted; OR

If the applicant does not intend to claim priority to the German application or any other application, then the applicant must cancel the language in the preliminary amendment dated 1/18/2002.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Claims 1-13, and 15-19 are allowable.

Any inquiry concerning this communication should be directed to Jerry Redman at telephone number 703-308-2120.
